

Dublin School Packing List

The following list of clothing and equipment reflects what is needed not just for living comfortably in a dorm or in the classroom, but also for spending a fair amount of time out of doors working and playing in all seasons. DRESS AND GROOMING CODE

DRESS AND GROOMING CODE

The Dublin School Dress and Grooming Code is designed to ensure safety around authentic self-expression and help promote necessary hygiene practices. We respect the individual and unique potential each member of the community brings to our school and support their freedom to express themselves authentically. No member of the community should be affected by dress code enforcement because of racial identity, sex assigned at birth, gender identity or expression, sexual orientation, ethnicity, cultural or religious identity, household income, body size/type, or body maturity.

Dublin School students will prepare their best selves each day by being role models in what they wear, taking accountability for their hygiene, and being supportive in the freedom of expression of others.

Dublin School requires academic dress, as defined below, for all academic and administrative obligations.

Academic Dress Code:

1. Clothing will not have graphics or language that does not align with Dublin's community values of belonging.
2. Clothing worn to academic engagements will not be clothing designed specifically for sleeping or lounging (pajamas, sleepwear, undergarments).
3. Clothing will not interfere with good hygiene practices or the range of motion required in academic classes.
 - a. Students should dress in clean clothing each day. Additionally, clothing must be laundered regularly to be clean (free of odor and stains). See Grooming Code (below) for more information.
 - b. Open garments like skirts, dresses, and shorts must cover the body enough to sit without exposing undergarments to public chairs/surfaces.
 - c. Clothing must allow for daily movement around campus that promotes student comfort, flexibility, and range of motion.
4. Faces must be visible (sunglasses, hats or hoods covering face shall be removed)—with the exception of religious or ethnic attire, or protective mouth coverings (PPE).
5. Hearing must be unrestricted during classes and meetings (no headphones or other hearing restrictions) - with the exception of school approved accommodations or religious observance.
6. All types of footwear in good repair are acceptable and should be seasonally appropriate. While open-toed shoes may be worn on campus, close-toed shoes are required for safety reasons during certain activities and in specific spaces. It is required that students wear safe footwear in the winter (and pending certain weather conditions).
7. Some classes may have specific clothing requirements for physical safety or movement. For example, oversized clothing may not be allowed in Science Labs, Art Studio, or Woodshop. Instructors will provide guidance for this at the beginning of the term.

Grooming Code:

This policy has been developed to ensure that all students understand the importance of grooming and hygiene in the academic setting or when otherwise representing Dublin School. The standards of grooming and hygiene outlined below set forth the minimum requirements to which all students are required to follow. Dublin School recognizes that the hygiene of its students contributes to their overall health, self-respect, and public image.

Hygiene – Every student is expected to practice daily hygiene and good grooming habits as set forth in further detail below.

- ❖ *Hair* – Hair should be clean, combed, and/or arranged. Additional requirements for hair restraint may be required for athletics, kitchen work, or other activities.

- ❖ *Teeth* – Students must practice good oral hygiene by keeping their teeth clean.
- ❖ *Body Odor* – Students must practice daily hygiene to prevent body odor. Regular bathing is required. Deodorant or antiperspirant is strongly recommended.
- ❖ *Clothing* – Students must regularly launder their clothes to keep them clean and free of odors and stains.
- ❖ *Nails* – Hands and nails should be clean and well-kept and should not prevent a student from writing, typing, or engaging in obligations such as academic duties and work gang.
